Attention: Patrick Wruck, Commission Secretary

Dear Patrick Wruck:

**Re: FortisBC Energy Inc. (FEI)
Revised Renewable Gas Program Application – Stage 2 (Application)
Reply Argument – FEI Request for Extension**

FEI writes to request an extension to the deadline established in British Columbia Utilities Commission (BCUC) Order G-215-23 for the filing of its Reply Argument.

Pursuant to Order G-215-23, intervener final arguments were due on Friday, November 17, 2023. On November 15, 2023 (Exhibit A-54), the BCUC granted an extension to the intervener final argument deadline for two interveners, BC Old Age Pensioners' Organization et al. (Tuesday, November 21, 2023) and the Commercial Energy Consumers Association of BC (Thursday, November 23, 2023), as requested. On November 17, 2023 (Exhibit A-55), the BCUC granted an extension to the intervener final argument deadline for two other interveners, My Sea to Sky and GNAR Inc. – Sustainable Home Design (Thursday, November 23, 2023).

Given the extensions granted to the four interveners, combined with overlapping proceedings drawing on the same resources, FEI requires an extension to finalize its submission. FEI respectfully requests an extension to file its Reply Argument from Friday, December 8 to Thursday, December 14, 2023. Given this is the last procedural step, FEI submits that this extension request will have no impact on or prejudice other parties to the proceeding.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
