Attention: Ms. Marija Tresoglavic, Acting Commission Secretary

Dear Ms. Tresoglavic:

**Re: FortisBC Inc. (FBC)**  
**Project No. 1599088**

**Application for a Certificate of Public Convenience and Necessity for the Kelowna Bulk Transformer Addition Project (the Application)**

**Response to the British Columbia Utilities Commission (BCUC) CONFIDENTIAL Information Request (IR) No. 2, Questions 10.1 through 10.4 – Filed Non-Confidentially**

---

On April 24, 2020, FBC filed the Application referenced above. On July 30, 2020, the BCUC issued BCUC Confidential IR No. 2 (Exhibit A-6). FBC confirms that the responses to BCUC Confidential IRs 10.1 through 10.4 are not confidential, and are being filed publicly for the record. FBC hereby attaches the responses to BCUC Confidential IRs 10.1 through 10.4 on a non-confidential basis.

If further information is required, please contact the undersigned.

Sincerely,

**FORTISBC INC.**

2 **10.0 Reference: CONSULTATION**

3 **Exhibit B-1, Section 7.3, pp. 60-61; Exhibit B-2-2, BCUC IRs 2.2, 2.3**  
4 **Consultation with local residents**

5 On page 60 of the Application, FBC stated that the following was one of the primary  
6 topics of discussion during the April 22, 2020 virtual town hall meeting:

- 7 • The extent to which work would be done within current station footprint or  
8 beyond;

9 Further on page 60 of the Application, FBC states that the following information was  
10 provided to address a concern raised:

- 11 • Station work will not require any expansion outside of existing station property.  
12 Confirmed a small fence modification will be required on the southwest corner,  
13 away from the residential area; [Emphasis added]

14 In response to BCUC confidential IR 2.2, FBC stated:

15 The fence line on the southwest corner of the LEE substation would be moved  
16 approximately 47.5 metres south and approximately 15.7 metres west from the  
17 current southwest corner.

18 10.1 Please explain whether the proposed fence modification was communicated to  
19 local customers during the town hall meeting or at any other time. To the extent  
20 possible, please provide a public response to this IR.

21  
22 10.1.1 If not, please discuss why not. To the extent possible, please provide a  
23 public response to this IR.  
24

25 **Response:**

26 This response is being filed non-confidentially on the public record.

27 FBC confirms that it communicated that the southwest corner of the substation would be  
28 expanded in the town hall meeting with local residents. No concerns or issues were raised  
29 during FBC's public consultation regarding the location of the fence.
