Attention: Patrick Wruck, Commission Secretary

Dear Patrick Wruck:

Re: FortisBC Inc. (FBC)

**Application for a Certificate of Public Convenience and Necessity (CPCN) for the
A.S. Mawdsley (ASM) Terminal Station Project (Application)**

**Response to the British Columbia Utilities Commission (BCUC) and Intervener
Information Requests (IR) No. 2 – FBC Request for Extension**

FBC writes to request a one-week extension to the filing deadline for its responses to BCUC and Intervener IR No. 2 established in Order G-70-23 regarding the above noted Application.

FBC is requesting an extension to the filing deadline for its responses to IR No. 2 due to BC's current wildfire situation and a number FBC's key staff involved in this Application being in the impacted areas. As a result, FBC requires additional time to finalize its responses, FBC requests an extension of a maximum of one week to the filing of its responses from Monday, August 28, 2023 to on or before Tuesday, September 5, 2023.

In addition, FBC proposes that the established dates for the argument phase remain as set out in Order G-70-23. As a result, FBC submits that the requested extension will have no impact on or prejudice other parties to the proceeding.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC INC.
