P.O. Box 49130
Three Bentall Centre
2900 – 595 Burrard Street
Vancouver, BC
V7X 1J5

Attention: Mr. Christopher P. Weafer

Dear Mr. Weafer:

Re: FortisBC Energy Inc. (FEI)

Project No. 1598917

2017 Price Risk Management Plan (PRMP) (the Application) and the 2018 PRMP (the Revised Application)

Response to the Commercial Energy Consumers Association of British Columbia (CEC) **CONFIDENTIAL Information Request (IR) No. 1 on New Evidence**

On November 29, 2018, FEI filed its Winter 2018/2019 Price Risk Update (New Evidence) in the above noted proceeding. In accordance with the British Columbia Utilities Commission Order (BCUC) G-232-18 setting out the Regulatory Timetable for the review of the Application, FEI respectfully submits the attached response to CEC **CONFIDENTIAL** IR No. 1 on New Evidence.

In FEI's view, a number of the IRs from BCOAPO and CEC on FEI's New Evidence are not relevant to FEI's 2018 PRMP. The IRs appear to relate instead to the potential impacts of the Enbridge rupture on FEI's Annual Contracting Plan ACP or Long Term Gas Resource Plan, which are filed separately with the BCUC. Nonetheless, given that FEI's New Evidence raises the topic of the Enbridge rupture, FEI has provided responses to the questions to be helpful to BCOAPO and CEC.

If further information is required, please contact Mike Hopkins, Senior Manager, Price Risk & Resource Planning at (604) 592-7842.

Sincerely,

FORTISBC ENERGY INC.
