Attention: Mr. Patrick Wruck, Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

**Re: FortisBC Energy Inc. (FEI)
Customer Choice Program 2018 Annual General Meeting (AGM)
FEI Submission on AGM Process**

On February 22, 2019, in accordance with BCUC Order A-10-12, FEI submitted its Customer Choice Program Statistics for the 2018 calendar year. On May 9, 2019, the BCUC responded with a letter (Exhibit A-2) to FEI, licenced gas marketers and the British Columbia Old Age Pensioners' Organization requesting submissions on "...*whether an AGM process is warranted this year and if so, proposed issues for discussion.*"

FEI does not have any issues to discuss currently but is amenable to participating in an AGM if the BCUC determines one is warranted based on the stakeholders' submissions. FEI's continued objective is to manage overall Customer Choice Program costs and variable gas marketer fees efficiently while still serving the needs of the Program. FEI believes the Program is currently running effectively and there are no significant issues that necessitate incurring the costs of holding an AGM.

If further information is required, please contact Scott Webb, Manager, Data Analytics and Research at 604-592-7649.

Sincerely,

FORTISBC ENERGY INC.
