March 4, 2021

British Columbia Utilities Commission  
Suite 410, 900 Howe Street  
Vancouver, BC  
V6Z 2N3

Attention: Mr. Patrick Wruck, Commission Secretary

Dear Mr. Wruck:

**Re: FortisBC Energy Inc. (FEI)**

**Project No. 1599170**

**Application for a Certificate of Public Convenience and Necessity (CPCN) for the Tilbury Liquefied Natural Gas (LNG) Storage Expansion (TLSE) Project (Application)**

**Agenda for Workshop to Review Application**

---

On December 29, 2020, FEI filed the Application referenced above. In accordance with British Columbia Utilities Commission (BCUC) Order G-26-21 setting out the Regulatory Timetable for the review of the Application, FEI is hosting a Workshop to review the Application on Thursday, March 11, 2021, commencing at 9am. Due to the continuing COVID-19 pandemic, this Workshop will be conducted exclusively in a web-based virtual format through the Microsoft (MS) Teams platform.

Below is the Agenda for the Workshop which includes approximate time estimates.

Time	Description
8:30am to 9:00am	Registration and Audio Check
9:00am to 9:15am	BCUC Panel Introductory Remarks
9:15am to 9:30am	FEI Introductory Remarks and Logistics
9:30am to 12:00pm	FEI and Guidehouse Presentations (will include a break)
12:00pm to 1:00pm	Lunch Break
1:00pm to 2:30pm	FEI Presentation Continued
2:30pm to 2:45pm	Break
2:45pm to 4:00pm	Questions and Answers

During the morning portion of the time allotted for FEI's presentation, a separate presentation will also be made by FEI's consultant, Guidehouse.

While there is a designated question and answer period at the end, FEI will pause at various points during the presentation to invite clarifying questions specific to the material being presented.

As noted by the BCUC in Exhibit A-3, the objective of the Workshop is to provide the BCUC and interveners with a better understanding of the Application and allow the Workshop participants to ask clarifying questions, with any technical or detailed questions being more suitable for the information request process as established in Order G-26-21.

All interveners who intend to participate in the Workshop are requested to register by email to [gas.regulatory.affairs@fortisbc.com](mailto:gas.regulatory.affairs@fortisbc.com) providing the names and email addresses of each participant, preferably by noon on Monday, March 8. Participants will receive the meeting link and details to participate by Tuesday, March 9. For interveners who may not have the MS Teams application installed on their computers, MS Teams supports full participation through a web browser and performs best using MS Edge or Google Chrome browsers.

If further information is required, please contact Ilva Bevacqua at 604-592-7664 or by email to [gas.regulatory.affairs@fortisbc.com](mailto:gas.regulatory.affairs@fortisbc.com).

Sincerely,

**FORTISBC ENERGY INC.**
