Attention: Mr. Patrick Wruck, Commission Secretary

Dear Mr. Wruck:

Re: FortisBC Energy Inc. (FEI)

Application for a Certificate of Public Convenience and Necessity (CPCN) for Approval of the Coastal Transmission System Transmission Integrity Management Capabilities Project (Application)

FEI Request to Amend the Regulatory Timetable

FEI writes to request an extension to the filing deadline established in British Columbia Utilities Commission (BCUC) Order G-251-21 for FEI to file its responses to information requests (IRs) No. 2. FEI requests an extension to file its responses from the current deadline of Tuesday, September 28, 2021 to file by Friday, October 8, 2021.

FEI requires this extension in order to prepare accurate and fulsome responses to the IRs. FEI believes that the two week response time established by BCUC Order G-251-21 was likely set with the expectation of a lower number of IRs, based on intervener submissions on further process. FEI proposes the following amended timetable adjusting the remainder of the regulatory review process, while also taking into consideration deadlines in other ongoing FEI regulatory processes.

Action	Date (2021)
FEI Response to IR2	Friday, October 8
FEI Final Argument	Tuesday, October 19
Intervener Final Argument	Tuesday, November 2
FEI Reply Argument	Thursday, November 18

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
