British Columbia Utilities Commission  
Suite 410, 900 Howe Street  
Vancouver, BC

Attention: Mr. Patrick Wruck, Commission Secretary

Dear Mr. Wruck:

**Re: FortisBC Energy Inc. (FEI)**

**Application for a Certificate of Public Convenience and Necessity (CPCN) for  
Approval of the Coastal Transmission System Transmission Integrity  
Management Capabilities Project (Application)**

**FEI Request for Extension to file Reply Argument**

---

FEI writes to request an extension of four days to the filing deadline for FEI to file its written Reply Argument, established in British Columbia Utilities Commission (BCUC) Order G-318-21, currently Monday, November 22, 2021 to instead file on Friday, November 26, 2021.

FEI requires additional time to finalize its Reply Argument as a result of the need for key internal integrity management resources involved in the Application to focus on dealing with the ongoing emergency flooding situation in BC. FEI submits that no parties are prejudiced by the extension request.

If further information is required, please contact the undersigned.

Sincerely,

**FORTISBC ENERGY INC.**
