Attention: Mr. Patrick Wruck, Commission Secretary

Dear Mr. Wruck:

Re: FortisBC Energy Inc. (FEI)

Application for a Certificate of Public Convenience and Necessity (CPCN) for the Tilbury Liquefied Natural Gas (LNG) Storage expansion (TLSE) Project (Application)

Submission for the Procedural Conference

FEI writes with respect to the procedural conference established by British Columbia Utilities Commission (BCUC) Order G-185-21, for Wednesday, November 24, 2021.

In order to facilitate the discussions at the procedural conference, FEI has prepared the attached "straw-dog" timetables for two options: one with information requests (IRs) from the BCUC Panel as the next step in the process if required, and one with no BCUC Panel IRs. Both straw-dog timetables provide for intervener evidence, given that TWN has indicated a desire to submit evidence.

FEI notes that during the procedural conference it may also refer to BCUC Order G-262-21, which is available at this link:

https://docs.bcuc.com/Documents/Proceedings/2021/DOC_64039_A-13-G-262-21-Reg-Timetable.pdf.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
