Attention: Mr. Patrick Wruck, Commission Secretary

Dear Mr. Wruck:

**Re: FortisBC Energy Inc. (FEI)**

**Biomethane Energy Recovery Charge (BERC) Rate Assessment Report – British Columbia Utilities Commission (BCUC) Order G-35-21 Stage 2 Comprehensive Review and Application for a Revised Renewable Gas Program (Application)**

**FEI Request for Extension to Response to Information Requests (IRs) No. 1**

---

FEI writes to request an extension to the filing deadline established in British Columbia Utilities Commission (BCUC) Exhibit A-11 for FEI to file its responses to IRs No. 1. FEI requests an extension to file its responses from the current deadline of Tuesday April 19, 2022, to Monday, May 16, 2022.

FEI requires the extension of time given the large number of IRs received in round one and the number of active interveners in this proceeding. In addition, the same key FEI internal resources and external legal counsel in this proceeding are also directly involved a number of the other ongoing BCUC proceedings as well as the upcoming filing of FEI's Long Term Gas Resource Plan.

FEI submits that no intervener is prejudiced by the requested extension. FEI further proposes that the procedural conference scheduled for Friday, April 29, 2022 be rescheduled to a date during the week of May 30, 2022.

If further information is required, please contact the undersigned.

Sincerely,

**FORTISBC ENERGY INC.**
