Electronic Filing

British Columbia Utilities Commission
Suite 410, 900 Howe Street
Vancouver, BC V6Z 2N3

Attention: Mr. Patrick Wruck, Commission Secretary

Dear Sirs/Mesdames:

Re: FortisBC Energy Inc. – Application for Approval of Rates and Agreement for Constructing and Operating a Compressed Natural Gas Fueling Station under the Province’s Greenhouse Gas Reduction (Clean Energy) Regulation for GFL Environmental Inc. and for Amendments to Rate Schedule 6P – Public Service – Natural Gas Refueling Service Tariff and Rates

Pursuant to the regulatory timetable for this proceeding set by Order G-43-22, FortisBC Energy Inc. (FEI) filed its Final Argument on March 30, and the Commercial Energy Consumers Association of British Columbia (CEC) filed its Final Argument on April 13. No other submissions were filed.

In its Final Argument, the CEC “recommends that the Commission approve the application as filed by FEI”. As CEC raises no issues or concerns, FEI has no comments in reply.

Yours truly,

FASKEN MARTINEAU DuMOULIN LLP
