Dear Sirs/Mesdames:

Re: FortisBC Energy Inc. Transportation Service Report ~ Project No. 1599346

The Commercial Energy Consumers Association of BC (CEC) was the only intervener to file argument in the above noted proceeding. As the CEC is fully supportive of FEI's position, FEI has no comments in reply.

FEI respectfully requests that the BCUC find that FEI's Transportation Service Report filed on June 15, 2022 satisfies the relevant directives from Orders G-135-18 and G-210-20 regarding FEI's transportation service model, and determine that no further action is required.

Yours truly,

FASKEN MARTINEAU DuMOULIN LLP
