Attention: Ms. Sara Hardgrave, Acting Commission Secretary

Dear Ms. Hardgrave:

Re: FortisBC Energy Inc. (FEI)

Application for a Certificate of Public Convenience and Necessity (CPCN) for Approval of the Interior Transmission System Transmission Integrity Management Capabilities Project (Application)

Response to Information Requests (IR) No. 1 – FEI Request for Extension

FEI writes to request a two-week extension to the filing deadline for its responses to BCUC and Intervener IR No. 1, established in BCUC Order G-320-22 regarding the above noted Application.

FEI is requesting an extension to the filing deadline for its responses to IR No. 1 due to resource constraints as several of FEI's key staff involved with the Application are also directly involved in a number of other projects and ongoing BCUC proceedings. As a result of these resource constraints, FEI respectfully requests an extension to the filing of its responses to IR No. 1 from Thursday, February 2, 2023 to on or before Thursday, February 16, 2023.

FEI submits that no parties are prejudiced by this extension, if granted, as the remainder of the regulatory timetable in this proceeding has yet to be established.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
