Attention: Patrick Wruck, Commission Secretary

Dear Patrick Wruck:

Re: FortisBC Energy Inc. (FEI)
Application for a Certificate of Public Convenience and Necessity (CPCN) for Approval of the Interior Transmission System Transmission Integrity Management Capabilities Project (Application)

Erratum to the Response to the Commercial Energy Consumers Association of BC (CEC) Information Request (IR) No. 1 – Question 32.1

On April 20, 2023, FEI filed its responses to IR No. 2 in the Application referenced above. During the course of responding to IR No. 2, FEI has identified a correction required to the response to CEC IR1 32.1 (Exhibit B-7), as discussed in the response to CEC IR2 47.1.

Accordingly, FEI submits the attached blacklined Erratum to the response to CEC IR1 23.1, page 50 of Exhibit B-7.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.

32.1 Please confirm or otherwise explain that the EMAT runs would not be conducted continually, but will instead be run on some sort of schedule of approximately once every seven years.

Response:

Confirmed. FEI is currently forecasting that EMAT will be run on each pipeline on a schedule of once every seven years.
