Attention: Patrick Wruck, Commission Secretary

Dear Patrick Wruck:

Re: FortisBC Energy Inc. (FEI)
2023 Customer Choice Annual General Meeting (AGM)
FEI Response to the British Columbia Utilities Commission (BCUC) Request for Submissions

On February 23, 2024, FEI submitted its Customer Choice Annual Report and program statistics for the 2023 calendar year. By letter dated July 9, 2024, the BCUC staff requested FEI and Licensed Gas Marketers review certain items¹ in the Code of Conduct for Gas Marketers (Code) and confirm whether the list is complete or whether any additional items from the Code require review, along with an explanation regarding those items. BCUC staff believe a written comment process is sufficient but invited parties to include supporting rationale if requesting an in-person Annual General Meeting.

FEI is supportive of a written comment process as an efficient and effective way to review changes to the Code. FEI has no additional items to add to BCUC staff's list of items to review in the Code.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
