

Apply for a FREE Energy Saving Kit

Join thousands of income-qualified British Columbians
who are already saving money and energy

We're working together to help B.C. save energy.

Conditions apply. Package and contents may vary.

Help where you need it

FortisBC and BC Hydro have joined together to help customers on limited budgets save money and energy with a free Energy Saving Kit. Installing all the items in the kit may help you save energy and lower your natural gas and/or electricity bills.

How to apply*

If you receive electricity from BC Hydro or the City of New Westminster: apply online at bchydro.com/freekit or call 1-800-BCHYDRO (1-800-224-9376).

If you receive electricity from FortisBC or the municipality of Grand Forks, Summerland, Penticton or Nelson Hydro: apply online at fortisbc.com/kit or call 1-866-436-7847.

More ways to save

Try these simple tricks and save even more:

- put on a sweater instead of turning up the heat
- wash laundry in cold water
- reduce your shower time by 1-3 minutes
- unplug electronics when not in use

*Applicants must have an electricity account with BC Hydro, FortisBC, New Westminster, Grand Forks, Summerland, Penticton or Nelson Hydro. Income qualifications apply so please be prepared to tell us your total household income and utility account number. Limit one kit per household. Visit fortisbc.com/kit for complete terms and conditions and eligibility requirements.
