

Energy at work

FORTIS BC™

Home renovation

Rebates

Thinking about renovating your home? Valuable rebates help you save on a variety of energy-efficiency upgrades.

Four steps to participate

1) Learn more online

- Visit **fortisbc.com/homerebates** for a list of all the rebate eligible upgrades and bonus offers. From here you can select the individual upgrade webpages to find more details.

2) Decide what's right for your home and budget

- Choose eligible upgrades and apply for individual rebates **on your own**.
– OR –
- Get professional advice and access to additional rebates by hiring a program-qualified energy advisor (PQEA).

3) Have a contractor install eligible upgrades

To be eligible for rebates you must hire a qualified contractor to complete all your upgrades.

- For tips on hiring a contractor and to find a licensed electrician or gas contractor, visit **fortisbc.com/hiringacontractor**.
- To find a program registered contractor for insulation, visit **fortisbc.com/insulation**.

- 4) Apply online at **fortisbc.com/homerebates** with all supporting documents and receipts within six months of completing your upgrades.
