

Windows and doors documentation requirements

Your invoice for windows and doors must have all the information in the list below to meet the documentation requirements for the Home Renovation Rebate Program and CleanBC Home Efficiency Rebates. You'll also need to supply a photo of the manufacturer's label for your installed windows/doors (see sample labels on next page). For more information, including full terms and conditions and to apply, visit fortisbc.com/homerebates or bchydro.com/homerebates.

Energy performance and visual transmittance ratings certified to **CSA A440.2-14**. Ratings are determined for a fixed set of environmental conditions and a specific product. Certification agency does not recommend or warrant product for any specific use.

Les taux de performance énergétique et de transmission visible sont certifiés **CSA A440.2-14**. Les taux sont déterminés selon une série de conditions environnementales fixes et une taille de produit particulière. L'agence de certification ne recommande ni ne garantie le produit aux fins d'utilisation particulière.
