### Part III – Additional terms and conditions

1. **Compliance with laws.** The Applicant must ensure the product is installed in accordance with the requirements of Technical Safety BC and/or gas authority having jurisdiction and in accordance with the manufacturer's specifications and all applicable laws, codes, standards and ordinances.
2. **Program changes.** FortisBC may modify or terminate the program at any time and for any reason without notice. Dates are subject to change. Number of available rebates may be limited.
3. **Rejection of applications.** FortisBC reserves the right, in its sole discretion, to reject applications which are late, incomplete, inaccurate or illegible, or do not meet program requirements or which include an invoice not containing required details. FortisBC is not responsible for late applications. Applications and invoices submitted electronically are at applicant's sole risk.
4. **Rebates.** Rebates cannot be assigned. Applicant is responsible for any applicable tax on rebate. FortisBC is under no obligation to re-issue a rebate which has been returned as undeliverable or to replace a stale-dated rebate cheque.
5. **Site Visits.** The applicant will provide or ensure FortisBC is granted access to the property upon request to enable FortisBC to verify product installation and operation and take photographs of the installed product.
6. **No liability.** FortisBC, not being the designer, manufacturer, provider or installer of the equipment, makes no representation or warranty whatsoever as to the fitness of, the necessity for, the quality of, or the energy efficiency/savings of, any equipment or service, or skill of any contractor. FortisBC accepts no liability or responsibility for the equipment, the services or use of any contractor.
7. **Use of Information.** The applicant acknowledges, consents and agrees FortisBC may:
  - (a) contact the applicant to administer, verify compliance with, and evaluate the program, and to conduct surveys;
  - (b) may collect and use information (including personal information), whether provided by the applicant or the installation contractor, obtained during site visits, or contained in, or forming part of, any documents submitted as part of the application, and disclose the information to affiliates, contractors, representatives, agents and funding partners to process, administer and evaluate the program and the incentives, to monitor and assess compliance with these terms and conditions and to develop other energy conservation programs;
  - (c) retrieve bill data for a period of two years prior to, and two years after, the installation date to evaluate consumption behavior and energy savings attributable to the program, and to collect, use and disclose such bill data pursuant to (b) above.
