Introduction

Marketing of natural gas under the Commodity Unbundling Service takes place usually, though not exclusively, in a Consumer's place of business or home, by personal contact, or via telephone or online marketing. Unbundling refers to the separation of the supply of the Gas commodity from the delivery of the Gas, whereby a Consumer purchases Gas from a supplier other than the local distribution company. Marketing of Gas under the Commodity Unbundling Service involves several parties including Gas Marketers, utilities and Consumers. The relationship between the various parties must be based on fair and ethical principles.

Scope

The purpose of this Code is to foster and uphold a sense of responsibility towards the Consumer and towards the public by all those engaged in the Marketing of Gas to Low Volume Consumers participating in the Commodity Unbundling Service in British Columbia.

The Code applies to all practices used in the Marketing of Gas under the Commodity Unbundling Service for both residential and commercial Consumers. Where the practices are different between residential and commercial Consumers, it is noted.

The Code is to be applied in spirit as well as to the letter, bearing in mind the varying degrees of knowledge, experience and discriminatory ability of Consumers.

Basic Principles

All Marketing of Gas under the Commodity Unbundling Service will conform to the principles of fair competition as generally accepted in business, with particular regard to:

- the terms of the Offer and the methods and form of the contact with the Consumer;
- the methods of presentation and the information on the supply; and
- the fulfilment of any obligation arising from the Offer of purchase of Gas under the Commodity Unbundling Service.

Marketing of Gas under the Commodity Unbundling Service will be carried out in conformity with the laws of Canada and its provinces, where applicable.

Gas Marketers shall voluntarily assume responsibility towards the Consumer with respect to fair sales methods, accurate and truthful dissemination of information, and product value, and shall make every reasonable effort to ensure Consumer satisfaction.

Gas Marketers shall ensure that their Salespersons are fully informed as to the characteristics of the Gas supplies and/or services offered to enable them to give the Consumer all necessary information to make informed decisions.

The Gas Marketer and the Consumer must follow the guidelines approved by the BCUC from time to time as they pertain to Customer Choice entitled Complaint Guidelines, Dispute Guidelines and Reconsideration Guidelines.

Salesperson Operations

Respect of Privacy

Article 13

Marketing shall not be intrusive, aggressive or harassing in nature. Marketing activity (excluding online marketing) shall be limited to between Monday to Friday between the hours of 9:00 a.m. and 9:30 p.m. or on Saturday and Sunday between the hours of 10:00 a.m. and 6:00 p.m. local time. The right of a Consumer to refuse further discussion shall be respected. Posted signs restricting and/or prohibiting marketing and soliciting must be respected.

For telephone marketing, in the event that a recorded message constitutes a portion, or all of the sales process, the caller must first personally obtain the consent of the recipient to play a recorded Offer.

Honesty, Fairness and Veracity

Article 14

A Salesperson shall not abuse the trust of individual Consumers or exploit their lack of experience or knowledge, nor play on ignorance or on fear, thereby exerting undue pressure on Consumers. All Offers must, therefore, be clear and honest.

A Salesperson shall not make any statement or take any measure which, directly or by implication, omission, ambiguity or exaggeration, is likely to mislead a Consumer with regard to the benefits of the program, terms of the Offer, Consumer's Agreement or any other matter.

The Gas Marketer may not request that the Consumer provide their FortisBC account information, including their bill, until the Consumer expresses intent to enter into the Consumer's Agreement.

A Salesperson shall, to the best of the Salesperson's knowledge and ability, give complete, accurate and clear answers to a Consumer's questions concerning the Offer or any other matter.

Article 15

A Salesperson shall ensure that the Consumers clearly and thoroughly understand the information given. The demonstration or explanation of the transaction under the Commodity Unbundling Service shall, as far as possible, be adapted to the needs and enquiries of the Consumers.

A Salesperson shall give sufficient time for Consumers to read the entire contract form thoughtfully and without interruption or harassment. Where a language or comprehension issue is likely to impede the Consumer's ability to fully understand the Offer and the transactions, the Salesperson shall not execute the Consumer's Agreement(s) and/or the Third-Party Verification.

A Salesperson shall not make any representations regarding agreements, rights or obligations unless those representations are contained in the Consumer's Agreement.

A Salesperson shall ensure that the Consumer has been provided with a copy of the Customer Choice Standard Information Booklet and shall advise the Consumer to fully review the information contained within before the expiration of the 10-day Cancellation Period. A Salesperson shall provide a copy of the Customer Choice Standard Information Booklet to a potential Consumer, when requested, even if that Consumer decides not to enter into a Consumer's Agreement with that Salesperson at that time.

Testimonials and Endorsements

Article 16

A Salesperson shall not refer to any testimonial, endorsement or Consumer experience which is:

- not authorized by the person quoted, if in a private capacity;
- not genuine or unrelated to the experience of the person giving it;
- obsolete or otherwise no longer applicable;
- taken out of context; or
- used in any way likely to mislead the Consumer.

Comparisons and Fair Competition

Article 17

A Salesperson shall refrain from using comparisons, statistics and visual material which might mislead and/or which are incompatible with the principles of fair competition. Points of comparison shall be fairly selected and shall be based on facts which can be substantiated. All comparisons, statistics and visual material must be clearly and accurately labelled.

All comparisons, statistics and visual material that are provided to a Consumer must be actual data obtained from the LDC and based only on actual data for British Columbia.

All statements or promises made in any promotional material must be complete and in accordance with actual conditions, situations and circumstances existing at the time the promotion is made. Any data referred to must be competent and reliable and support the specific claim for which it is cited. Illustrations of historical data based on past records of more than five years are not permitted, and no projections of future pricing may be presented to the Consumer.

Article 18

A Salesperson shall not discredit any competing company, firm or individual, or any supplies or services provided by such parties, directly or by implication. Accurate, complete and truthful comparisons, however, are acceptable. When price comparisons are used, they must be factual, complete and verifiable.

Article 19

A Salesperson shall not induce any Consumer to breach a contract with another Gas Marketer.

Article 20

A Salesperson shall not take unfair advantage of the goodwill attached to the trade name or symbol of another Gas Marketer, product, the LDC or the BCUC.

A Salesperson shall clearly indicate that the Offer is not being made by an LDC and shall not make statements or use materials with the LDC's trademarks or logos, such as sample invoices, in any way to mislead or otherwise create confusion in the mind of a Consumer about the identity of the Gas Marketer or its relationship to the LDC.

Article 21

A Gas Marketer or Salesperson shall not engage in any false or misleading advertising or publish any material which may have the effect of misleading potential Consumers.

Training and Testing

Article 22

A Gas Marketer shall ensure that no Salesperson that acts on its behalf markets to a Consumer or negotiates, enters into, verifies, renews or amends a Consumer's Agreement unless the Salesperson has successfully completed training as set out in this Code.

A Gas Marketer shall ensure that training includes the following for a Salesperson:

- a) training in relation to all of the legal and regulatory requirements applicable to the sales process, Consumer's Agreement verification, Consumer cancellation rights and the renewal or amendment process; and
- b) adequate and accurate material covering the following areas:
 - i. Gas market structure;
 - ii. how to complete a Consumer's Agreement;
 - iii. how Gas pricing works, including the pricing of Gas supplied by the LDC;
 - iv. the content of this Code; and
 - v. all relevant regulatory requirements.

A Gas Marketer shall determine the successful completion of training by means of a training test that is designed and administered in order to assess each Salesperson's knowledge of the elements listed above.

The Gas Marketer shall maintain, for each Salesperson that acts on its behalf, records of the training and testing materials and results. The records shall be provided to the BCUC upon request.

Consumer Information

Information to be Maintained by a Gas Marketer

Article 23

A Gas Marketer shall have a current telephone number listed in British Columbia which may be reached by the public without charge and shall provide it to every Consumer.

A Gas Marketer shall maintain on file and provide such information to the BCUC upon request:

- A list of all Salespersons who act for that Gas Marketer;
- A list of Consumers;
- A log of cancellation requests, including confirmation numbers provided to Consumers and the name or identification number of the representative who accepted the request for cancellation;
- The Notices of Appointment of Marketer signed by its Consumers;
- Copies of the Gas Marketer's Consumer's Agreement with each Consumer containing the Consumer's signature; and
- Copies of the Commercial Consumer's written consent waiving the 10-day Cancellation Period.

In addition, the LDC has a right to audit any Notices of Appointment of Marketers and Consumer's Agreements by providing prior written notice of five business days to a Gas Marketer.

Request for Historical Gas consumption Information

Article 24

Prior to submitting a request to the LDC for a Consumer's historical Gas consumption data, a Gas Marketer must obtain the Consumer's signature on a consent form and provide a copy of this signed consent form to the LDC.

Confidentiality of Consumer Information

Article 25

A Gas Marketer must comply with the [Personal Information Protection Act](#) (PIPA) requirements of British Columbia.

In accordance with the PIPA, a Gas Marketer shall not disclose Consumer Information without the consent of the Consumer in writing, except where the Consumer Information is required to be disclosed for the following purposes:

- For billing, collections or Gas supply management purposes (i.e. consumption information);
- For law enforcement purposes;
- For the purpose of complying with a legal requirement or an order of a regulatory body exercising jurisdiction over the Gas Marketer or the Consumer;
- For the processing of past due accounts of the Consumer which have been passed to a debt collection agency; or
- In the event that a Gas Marketer assigns, sells or transfers its list of Consumers and its existing Consumer's Agreements to another Licensed Gas Marketer.

Consumer Information may be disclosed where the information has been sufficiently aggregated such that an individual's information cannot reasonably be identified.

A Gas Marketer shall inform Consumers in the Offer and Consumer's Agreement that information may be released to a Third Party without the Consumer's consent for the purposes listed above.

A Gas Marketer shall not use a Consumer's information for any purpose other than that for which it was obtained without that Consumer's written consent.

A Gas Marketer shall maintain appropriate cybersecurity measures to effectively protect Consumer Information.

Consumer's Agreements

Agreement Specifications

Article 26

There should be no confusion in the mind of the Consumer that the Consumer's Agreement is a binding contract and not an application or enrolment. The Consumer's Agreement, in conjunction with the Notice of Appointment of Marketer, will be clearly designated as an "Agreement" or a "Contract."

The agreement must include a Title field next to the Consumer's Name. The signatory and not the Salesperson, must complete the Title field to confirm the capacity, such as Account Holder or legally authorized representative, in which they are signing the Consumer's Agreement.

The Consumer's right to cancel without penalty must be referred to as the "Ten Day Cancellation" provision and must be clearly stated in the Consumer's Agreement, prominently situated above the Consumer's signature line. Instructions must be included on how the Consumer can exercise this option.

The first page of the agreement between the Gas Marketer and a Consumer must accurately summarize and clearly state the essential elements of the Offer including:

- Price (Canadian \$ per gigajoule);
- Term (length in years, start and end dates);
- Renewal provisions;
- Cancellation provisions, including the option for an eligible Rate Schedule 2 or Rate Schedule 3 Consumer to waive the 10-day Cancellation Period with the Consumer's signature for consent;
- Penalties and terms for early termination of the Consumer's Agreement, including minimum term, and the requirement that the Consumer's Agreement may only be terminated on the anniversary date; and
- Conditions which may affect the price or term of the Offer.

The Consumer's Agreement must also include a date signed field (beside the Consumer's signature); to be completed by the signatory at the time the Consumer's Agreement is signed.

The Consumer's Agreement must comply with all applicable federal and provincial Consumer protection and business practice legislation, including the [*British Columbia Business Practices and Consumer Protection Act*](#) and related [*Consumer Contracts Regulation*](#).

The minimum term is one year with a maximum term of five years and the start date and end date must coincide with the program entry dates which fall on the 1st day of each month, e.g. July 1, 2024, to July 1, 2029.

New Consumer's Agreements

Article 27

Consumer's Agreement with written or electronic signature

In the case where a Consumer enters into an agreement with a Gas Marketer for the first time, the Gas Marketer shall obtain the Consumer's signature on the Consumer's Agreement. Voice contracting is not allowed for new Consumer's Agreements.

In the case of electronic signature, the Gas Marketer shall ensure all applicable requirements under the [*British Columbia Electronic Transactions Act*](#) are met.

Until the Gas Marketer has a signed Consumer's Agreement, whether signed electronically or in writing, and completes the TPV, the Gas Marketer shall not provide any direction to the LDC.

Renewals and Amendments

Article 28

Gas Marketers may contract with their Consumers to renew or amend Consumer's Agreements.

Offer Package

Where the Gas Marketer wants to renew or amend a Consumer's Agreement, the Gas Marketer shall provide to the Consumer a written Offer package, comprising (1) a cover letter that clearly summarizes the essential terms of the proposed Renewal or Amendment, the proposed effective date and the deadline for the Consumer's acceptance, and (2) the new Consumer's Agreement. A new Notice of Appointment is not necessary.

The Consumer shall have 30 Days after the receipt of the Offer package to execute the new Consumer's Agreement, or the Offer will expire. If the Offer package is provided to the Consumer electronically, the Gas Marketer shall ensure that it is accessible and valid throughout this period.

Offer Period

For Renewals or Amendments, the Gas Marketer shall provide the Consumer with the Offer package no less than 90 Days prior to the proposed effective date.

Written or Electronic Signature

The Consumer shall have the option to execute the renewal agreement with a written or electronic signature or voice contracting. In the case of electronic signature, the Gas Marketer shall ensure all applicable requirements under the [*British Columbia Electronic Transactions Act*](#) are met.

Voice Contracting

Renewal and Amendment agreements may be executed via voice contracting. The voice contracting will be in the form of a digitally recorded call. The Gas Marketer shall retain the digital file for the term of the Consumer's Agreement, and shall provide a copy to the BCUC upon request.

In the voice contracting call, the Gas Marketer must follow a voice contracting script previously approved by the BCUC addressing all matters required in the TPV script. For Renewal and Amendment agreements executed via voice contracting, a TPV is not necessary.

In the voice contracting call, the Gas Marketer must confirm that the Consumer has received the Offer package before proceeding with the Renewal or Amendment.

Enrolment

Until the Renewal or Amendment agreement is executed and the TPV, if required, is completed, the Gas Marketer shall not provide any direction to the LDC regarding the agreement.

The Renewal date must coincide with the 1st day of the month following the expiry of the Consumer's Agreement being renewed.

Non-Acceptance or Cancellation

If the Consumer does not respond to the Offer package for a Renewal or elects to cancel the Renewal agreement during the Cancellation Period, the LDC will return to being the natural gas supplier at the end of the original Consumer's Agreement.

If the Consumer elects to cancel the Amendment agreement during the Cancellation Period, the terms and conditions of the original Consumer's Agreement will be reinstated.

Cancellation of Consumer's Agreements

Article 29

A Gas Marketer shall accept a Consumer's request for cancellation when within the 10-day Cancellation Period, and under the terms of the Consumer's Agreement without engaging in further sales or Marketing activity under that Consumer's Agreement.

A Gas Marketer shall accept a Consumer's request for cancellation when within the Cancellation Period without making the process onerous on the Consumer. The Consumer must be able to exercise their rights under the Cancellation Period by telephone, facsimile, email or mail.

When exercising a cancellation provision to cancel the Consumer's Agreement at the anniversary date of the Consumer's Agreement, the Consumer may provide written notice to the Gas Marketer at any time prior to the 60 Days before the anniversary date of the Consumer's Agreement.

Transfer of Consumer's Agreements

Article 30

A Gas Marketer shall not assign, sell or otherwise transfer the Consumer's Agreements to another person who is not a Licensed Gas Marketer.

Within 30 Days of assignment, sale or transfer of the administration of a Consumer's Agreement to another Licensed Gas Marketer, the affected Consumer must be notified of the new Gas Marketer's address for service, telephone number, email and website, and the Consumer complaints process, if these have changed.

The assignment, sale or transfer of a Gas Marketer's Consumer's Agreements to another Gas Marketer shall be approved in advance by the BCUC.

Responsibility for Code Observance

Article 31

The primary responsibility for the observance of this Code and associated BCUC orders rests with the Gas Marketer. Failure to comply with, or breach of, the Code and/or associated BCUC orders, may result in fines or the suspension or revocation of the Licence for a period to be determined by the BCUC. A breach of this Code may occur in the course of inducing a person to enter into an Offer or Consumer's Agreement, even in the absence of a contract.

Gas Marketers shall ensure that their Salespersons adhere to the standards required of a Gas Marketer as set out in the Code of Conduct for Gas Marketers, and shall be accountable for the behaviour and performance of their Salespersons.

Article 32

The LDC shall refrain from conducting business with anyone who is not Licensed in British Columbia and does not strictly adhere to this Code.

Third-Party Verification

Article 33

Third-Party Verification (TPV) is the form of a digitally recorded: telephone call, either initiated as an outbound call from the Gas Marketer to the Consumer or as an inbound call from the Consumer; or electronic process, wherein the Gas Marketer sends a website link by email or phone text message (i.e. SMS) to the Consumer to an electronic verification form. Regardless of the method of TPV (telephone or electronic), all requirements set out below apply.

The phone number or email address used for the TPV shall be the same as the phone number or email address provided in the Consumer's Agreement.

The Gas Marketer must ensure the TPV call is conducted clearly in an understandable pace and tone.

For Residential and Rate Schedule 2 Consumers, the TPV must not occur until 24 hours after the Consumer executes the Consumer's Agreement, and in order to complete the sale, it must occur within 20 Days of the Consumer executing the Consumer's Agreement. The Consumer who signed a Consumer's Agreement with a Gas Marketer must confirm their understanding of the key elements of the Consumer's Agreement through a TPV. The Salesperson is not permitted to be on the premises during the TPV with a residential or Rate Schedule 2 Consumer.

Rate Schedule 3 Consumers are exempt from the 24-hour TPV waiting period; these Consumers are permitted to complete the TPV immediately upon execution of the Consumer's Agreement, and the TPV must occur within 20 Days of the Consumer executing the Consumer's Agreement.

The TPV must be completed before the Enrolment. The digital file will be available for the BCUC three Days after the initial recording and retained by the Gas Marketer for the term of the Consumer's Agreement.

If the Consumer's Agreement includes Indexation, the TPV must verify the Consumer's understanding of the terms of Indexation.

The TPV is not required if the Consumer executes the Consumer's Agreement with no contact by a Salesperson, through any means (e.g. in-person, telephone, online), at the time of contracting.

Additional Requirements for Automated TPV Calls:

The following additional requirements are in place for the use of automated TPV calls (i.e. where a live person is not conducting the TPV call):

- the call must use voice verification (as opposed to using button tones to confirm understanding, e.g. press 1 for "yes" or 2 for "no");
- the call must include a record of the incoming or outgoing telephone number dialed to/from the Consumer to complete the call; and
- the Gas Marketer must review all of the calls in their entirety.

Additional Requirements for Electronic TPV:

The following additional requirements are in place for the use of electronic TPV:

- The Gas Marketer shall send an email or phone text message to the Consumer with a link to the electronic verification website. Access to the electronic TPV process must be only possible via the link.
- The electronic TPV must follow the approved TPV script.

- The Gas Marketer must submit all electronic TPV materials to the BCUC for review and approval prior to commercial distribution and/or use. The Gas Marketer must retain, and submit to the BCUC upon request, a record of the email or phone text message sent to the Consumer regarding the TPV and a record of the Consumer's electronic verification.

Residential Consumers

For Residential Consumers, the TPV must follow the standardized script set out below. If the Gas Marketer wishes to request an amendment to the standardized script, the Gas Marketer may file the modified TPV script with the BCUC for comment and approval.

Disclaimer: The Gas Marketer shall terminate the call if the customer objects to the call being recorded. For points that require confirmation from the customer, a Yes/No (Y/N) is indicated at the end of the question. Gas Marketers can use the term "agreement" or "contract," as appropriate.
