

Imbalance Return Restored

January 20, 2025

Effective Monday January 20th until further notice, Imbalance Return will be restored to previous levels across all service areas in the province.

FortisBC Energy will continue to monitor the forecast and will communicate operational changes as needed.

FortisBC reserves the right to limit the use of imbalance return or otherwise curtail service. FortisBC continues to monitor the weather and operational conditions across its service regions and will provide as much advanced notice as possible in the event of changes.

Note this posting will be appended to the news flash section of our web site for your future reference:
