

## Notice: Imbalance Return Partially Restored

December 11, 2013

Effective December 12, 2013, imbalance return will be restored to 20,000GJs in the Lower Mainland and 20,000GJs in the Interior. If requests at these locations in aggregate exceed the available amount, requests will be pro-rated. See your [nominations screen](#) for scheduled amounts.

Balancing surcharges in winter are \$1.10 per GJ and will apply to gas exceeding 20% of the authorized quantity or over 100 GJs.

If you have any questions or concerns, please email [TransportationServices@fortisbc.com](mailto:TransportationServices@fortisbc.com) or call the Hotline at 604-592-7788.

Thanks,

Christine Braun  
Midstream Operations
