

Operational Restrictions Lifted

January 15, 2024

Due to forecasted temperatures, the Hold to Authorize and Imbalance Return restrictions for the entire Province will be lifted effective January 16, 2024.

Imbalance return volumes will be restored to previous levels.

FortisBC reserves the right to limit the use of imbalance return or otherwise curtail service. FortisBC continues to monitor the weather and operational conditions across its service regions and will provide as much advanced notice as possible in the event of changes.

Note this posting will be appended to the news flash section of our web site for your future reference:
