

Operational Restrictions Lifted

October 27, 2023

Due to forecasted temperatures and loads, the Imbalance Return and Hold to Authorize restrictions for the **Lower Mainland and Vancouver Island** service areas have been lifted effective October 28, 2023.

Imbalance return volumes will be restored to previous levels.

FortisBC reserves the right to limit the use of imbalance return or otherwise curtail service. FortisBC continues to monitor the weather and operational conditions across its service regions and will provide as much advanced notice as possible in the event of changes.

Note this posting will be appended to the news flash section of our web site for your future reference:
