

Operational Changes impacting Shipper Business and Rate Schedules 7, 22 and 27

February 1, 2023

Be advised that as per WEI Notice #56524, capacity at the Huntingdon Delivery Area has been increased to 87% starting ID3 for February 1 and 100% for Evening, February 2.

[Notice: #56524 \(wei-pipeline.com\)](#)

Effective immediately for February 1 until further notice, the curtailment for all Interruptible customers under Rate Schedules 7, 22, and 27 located in the Lower Mainland and Vancouver Island will be lifted. Industrial Account Managers will be contacting Interruptible customers directly to communicate the termination of this curtailment.

FortisBC reserves the right to limit the use of imbalance return or otherwise curtail service. FortisBC continues to monitor the weather and operational conditions across its service regions and will provide as much advanced notice as possible in the event of changes.

Note this posting will be appended to the news flash section of our web site for your future reference:
