February 12, 2025

Effective Friday, February 14, the Hold to Authorize restriction will be lifted. Following that, Imbalance Return will be fully restored starting Saturday, February 15. These operational changes are in effect for all service areas in the province until further notice.

Please ensure that Imbalance Return nomination requests are entered in WINS to receive your allocated volumes.

FortisBC reserves the right to limit the use of imbalance return or otherwise curtail service. FortisBC continues to monitor the weather and operational conditions across its service regions and will provide as much advanced notice as possible in the event of changes.
