

Notice: Columbia Region Nominations in WINS

November 9, 2016

We would like to remind everyone that updating the scheduled quantities in WINS for the Columbia region is a manual process. This region includes Cranbrook, East Kootenay, Elko, Fernie, Galloway, and Sparwood. We do our best to update these in a timely and accurate manner but we request that you match your WINS nominations to your expected supply to help make this process easier.

Notices

FortisBC will provide notices of all relevant changes and events by email and update the “News Flash” section on the Transport marketers activities web page located here:
