

Notice: Hold to Authorized

February 5, 2017

Based on the temperatures forecasted for this week, effective Tuesday, February 7, 2017 until further notice, marketers will be limited to their **authorized quantity** of gas in the Lower Mainland and the Interior. This means that Shippers must bring in enough direct supply to cover both monthly and daily customer group demand.

If the Shipper or Group takes gas in excess of the authorized quantity, unauthorized overrun charges will apply. The first 5% of gas taken over the authorized quantity will be charged to the Shipper or Group at the Sumas Daily Price. Gas taken in excess of 5% of the authorized quantity will be charged the greater of CAD \$20.00 per gigajoule or the Sumas Daily Price times 1.5.

Imbalance return remains at zero until further notice.

Please monitor your email for further notices.
