January 11, 2012

With the forecast of cooler weather through the weekend, we ask that marketers make every effort to bring in sufficient supply to meet their customer demand.

Imbalance return remains fully available at 40,000GJs in the Lower Mainland and 40,000GJs in the Interior; however this may be reduced or eliminated at short notice.

If you have any questions or concerns, please email us at TransportationServices@fortisbc.com or call our Hotline at 604-592-7788.
