

Notice: Availability of Imbalance Return

November 14, 2014

Effective November 15, 2014 until further notice, imbalance return will be **reduced to zero** in the Lower Mainland and Interior regions.

The elimination of imbalance return means daily balanced groups must bring on enough direct physical supply to meet or exceed your daily group's consumption or balancing premium surcharges will apply.

Balancing surcharges in winter are \$1.10 per GJ and will apply to gas exceeding the greater of 20% of the authorized quantity or over 100 GJs.

To note this posting will also be located in the news flash section of our web site:
