

Notice: Availability of Imbalance Return

November 28, 2014

Effective November 29, 2014 until further notice, imbalance return will be **reduced to zero** in the Lower Mainland and Interior regions.

The elimination of imbalance return means **daily balanced groups** must bring on enough direct physical supply to meet or exceed your daily group's consumption or balancing premium surcharges will apply.

Balancing surcharges in winter are \$1.10 per GJ and will apply to gas exceeding the greater of 20% of the authorized quantity or over 100 GJs.

To note this posting will also be located in the news flash section of our web site:
